Revision of the USCIS Schedule of Fees – 30 JUL 2007

U.S. Citizenship and Immigration Services (USCIS) is implementing a new fee structure that ensures appropriate funding to meet national security requirements and customer service needs, and modernizes an outdated business infrastructure. The new fee structure is built around a foundation of Strategic Pillars designed to enhance and sustain a secure and efficient immigration system. Those pillars are, Enhancing the Security and Integrity of the Immigration System, Improving Service Delivery, and Modernizing Business Infrastructure.

Under the new schedule, application and petition fees will increase, on average, about 66%. The new schedule will be effective JULY 30, 2007. Applications or petitions postmarked or otherwise filed on or after that date must include the new fee.

For more information concerning the final rule, we invite you to visit USCIS' Web site at www.uscis.gov/21stCenturyService .
